Regency Health Services d/b/a Linda Mar Health Care and Rehabilitation Center and Health Care Workers Union, Local 250, Service Employees International Union, AFL-CIO. Case 20-CA-28016

December 9, 1997

DECISION AND ORDER

BY CHAIRMAN GOULD AND MEMBERS FOX AND LIEBMAN

Pursuant to a charge filed on September 10, 1997, the General Counsel of the National Labor Relations Board issued a complaint on October 2, 1997, alleging that the Respondent has violated Section 8(a)(5) and (1) of the National Labor Relations Act by refusing the Union's request to bargain following the Union's certification in Case 20-RC-17221. (Official notice is taken of the "record" in the representation proceeding as defined in the Board's Rules and Regulations, Secs. 102.68 and 102.69(g); *Frontier Hotel*, 265 NLRB 343 (1982).) The Respondent filed an answer admitting in part and denying in part the allegations in the complaint, and asserting affirmative defenses.

On October 27, 1997, the General Counsel filed a Motion for Summary Judgment and Memorandum in support. On October 28, 1997, the Board issued an order transferring the proceeding to the Board and a Notice to Show Cause why the motion should not be granted. On November 17, 1997, the Respondent filed a response.

The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.

Ruling on Motion for Summary Judgment

In its answer and response the Respondent admits its refusal to bargain but attacks the validity of the certification on the basis of its objections to conduct alleged to have affected the results of the election in the representation proceeding.

All representation issues raised by the Respondent were or could have been litigated in the prior representation proceeding. The Respondent does not offer to adduce at a hearing any newly discovered and previously unavailable evidence, nor does it allege any special circumstances that would require the Board to reexamine the decision made in the representation proceeding. We therefore find that the Respondent has not raised any representation issue that is properly litigable in this unfair labor practice proceeding. See *Pittsburgh Plate Glass Co. v. NLRB*, 313 U.S. 146, 162 (1941).

325 NLRB No. 25

Accordingly, we grant the Motion for Summary Judgment.

On the entire record, the Board makes the following

FINDINGS OF FACT

I. JURISDICTION

At all material times, the Respondent, a corporation with an office and place of business in Pacifica, California, has been engaged in the operation of a nursing home and rehabilitation facility. During the calendar year ending December 31, 1996, the Respondent, in conducting its business operations, derived gross revenues in excess of \$250,000 and purchased and received at its Pacifica, California facility goods valued in excess of \$5,000 which originated from points outside the State of California. We find that the Respondent is an employer engaged in commerce within the meaning of Section 2(2), (6), and (7) of the Act and has been a health care institution within the meaning of Section 2(14) of the Act and that the Union is a labor organization within the meaning of Section 2(5) of the Act.

II. ALLEGED UNFAIR LABOR PRACTICES

A. *The Certification*

Following the election held January 17, 1997, the Union was certified on July 17, 1997, as the exclusive collective-bargaining representative of the employees in the following appropriate unit:

All full-time and regular part time certified nursing assistants (CNAs), restorative nursing assistants (RNAs,) dietary employees, laundry employees, and housekeeping employees; excluding all other employees, managerial employees, professional employees, and contract employees, guards, and supervisors as defined in the Act.

The Union continues to be the exclusive representative under Section 9(a) of the Act.

B. *Refusal to Bargain*

About August 5 and 7, 1997, the Union, by letter, requested the Respondent to bargain, and, since about August 5, 1997, the Respondent has failed and refused to do so. We find that this failure and refusal constitutes an unlawful refusal to bargain in violation of Section 8(a)(5) and (1) of the Act.

CONCLUSION OF LAW

By failing and refusing on and after August 5, 1997, to recognize and bargain with the Union as the exclusive collective-bargaining representative of employees in the appropriate unit, the Respondent has engaged in unfair labor practices affecting commerce within the meaning of Section 8(a)(5) and (1) and Section 2(6) and (7) of the Act.

REMEDY

Having found that the Respondent has violated Section 8(a)(5) and (1) of the Act, we shall order it to cease and desist, to bargain on request with the Union, and, if an understanding is reached, to embody the understanding in a signed agreement.

To ensure that the employees are accorded the services of their selected bargaining agent for the period provided by the law, we shall construe the initial period of the certification as beginning the date the Respondent begins to bargain in good faith with the Union. *Mar-Jac Poultry Co.*, 136 NLRB 785 (1962); *Lamar Hotel*, 140 NLRB 226, 229 (1962), enfd. 328 F.2d 600 (5th Cir. 1964), cert. denied 379 U.S. 817 (1964); *Burnett Construction Co.*, 149 NLRB 1419, 1421 (1964), enfd. 350 F.2d 57 (10th Cir. 1965).
