Case No. 34-UC-126

SUPPLEMENTAL DECISION AND ORDER

On May 28, 2003, the undersigned issued a Decision and Order in this case. On June 10, 2003, the Petitioner requested review of that decision solely to request that footnote 5 be stricken from the decision. Pursuant to Section 102.65(e)(1) of the Board's Rules and Regulations, the undersigned has considered the Petitioner's request as a motion for reconsideration of the Decision and Order. Having considered the motion, I have concluded that footnote 5 should read as follows:

5/ As previously noted, the instant Decision and Order only addresses the representation issue arising out of the consolidation of the Vetrano and Burt's facilities. The issue as to whether Vetrano violated the contract, and what if any remedy should be applied to such a contractual violation, is not before me. Accordingly, the instant Decision and Order is not intended to resolve the contractual issue raised by the Union's grievance.

[Right to Request Review](#)

Under the provisions of Section 102.67 of the Board's Rules and Regulations, a request for review of this Supplemental Decision and Order may be filed with the National Labor Relations Board, addressed to the Executive

Secretary, 1099 14th Street, N.W., Washington, DC 20570. This request must be received by the Board in Washington by June 26, 2003.

Dated at Hartford, Connecticut this 12th day of June, 2003.
