* "Contract Expiration Date" is the last effective date of contract. A contract "to" or "until" a date does not include that date and the last effective date is the preceding day, unless there is evidence to show that the parties intended the contract to be effective on the "to or until date". A contract for a period in excess of three years is not effective beyond the end of the third year, and the expiration date is the last day of the third year.

** Leap Year Adjustment - Add one day to each of the petition timely dates when contract expires March 1 - May 29 inclusive.
Add one day to the first of the petition timely dates when contract expires May 30 - June 27 inclusive.
