N.L.R.B. ELECTION REPORT

SIX MONTHS SUMMARY -- APRIL 2006 THROUGH SEPTEMBER 2006 AND CASES CLOSED SEPTEMBER 2006

NOTE: This monthly report lists the outcome of secret-ballot voting by employees in NLRB-conducted representation elections as officially certified following resolution of post-election objections and/or challenges. Inquiries regarding the contents of this report should be directed to the Division of Information, National Labor Relations Board, 1099 Fourteenth St., N.W., Washington, D.C. 20570.

The NLRB continues to improve its techniques for tracking and collecting case activity data. While significant efforts are made to verify the accuracy of data, some inconsistencies can be found between some of the tables in the election reports and the data in the Annual Report. Data fields on "AFL-CIO" elections in the FY 2002-2005 annual reports and the election reports may inadvertently include elections involving various unions that have disaffiliated from the AFL-CIO.

Explanatory Note

Election Report data is derived from the National Labor Relations Board's Case Activity Tracking System (CATS). The Agency has an active program to ensure a high level of accuracy in the collection and dissemination of case-related information. However, monthly election data describes dynamic case activity that is subject to revision and correction during the course of the year and all data should be interpreted with that understanding. Users who have questions about the accuracy of information relating to specific elections reflected in the report are advised to call the Regional Office where the election was conducted for clarification and to report errors.
