

UNITED STATES GOVERNMENT
National Labor Relations Board

Memorandum

To: Office of Management and Budget

From: David Gaston, Chief Artificial Intelligence Officer (CAIO)

Date: September 23, 2024

Subject: National Labor Relations Board CAIO Determination Letter

In accordance with the AI in Government Act of 2020 and Office of Management and Budget (OMB) Memorandum M-24-10, *Advancing Governance, Innovation, and Risk Management for Agency Use of Artificial Intelligence*, the National Labor Relations Board (the Agency) reports that, as of the reporting deadline of September 24, 2024, the Agency does not use and does not anticipate using covered AI as defined in the Memorandum.

This determination was made after consultation with relevant officials including the Chief Data Officer, the Chief Information Officer, the Deputy Chief Information Officer, the Office of the Chief Financial Officer (which includes principal Acquisition Officials and Senior Procurement Executives), Agency Operations, the Board, and other officials responsible for certain Agency functions that may encompass the use of AI. This assessment has included all components within the Agency. The Agency will reassess its enterprise environment for active AI uses on an ongoing basis with a full review annually.
