This is to advise you that we are initiating the subject audit. The objective of this audit is to evaluate the effectiveness of the National Labor Relations Board's information security program and practices.

The Office of Inspector General (OIG) contracted with Castro & Company, LLC to conduct the audit. On April 7, 2026, we held an entrance conference via a video conference call. The results of the audit's fieldwork will be used by the OIG to complete the OIG FISMA matrix that is due to the Office of Management and Budget on August 1st, 2026. The final audit report will be issued in August.

This memorandum will be posted on the OIG page of the Agency's Web site until the report is issued. Please contact Kevin Thomas, Assistant Inspector General for Audits, at (202) 273-1768 if you have any questions.
