**TYPE OF ELECTION: STIPULATED**

**CERTIFICATION OF REPRESENTATIVE**

A rerun election has been conducted under the Board's Rules and Regulations. The Tally of Ballots shows that a collective-bargaining representative has been selected. No timely objections have been filed.

As authorized by the National Labor Relations Board, it is certified that a majority of the valid ballots has been cast for

Local 881, United Food and Commercial Workers Union

and that it is the exclusive collective-bargaining representative of the employees in the following appropriate unit:

**Unit:** All full-time production and maintenance employees including warehouse and distribution employees, sanitation employees, and coordinators employed by the Employer at its St. Elmo, Illinois facility excluding office clerical employees, office coordinators, temporary employees, professional employees, guards, and supervisors as defined in the Act.

However, leads and quality assurance technicians are neither included in nor excluded from the bargaining unit covered by this certification, inasmuch as the parties did not agree on the inclusion or exclusion of leads and quality assurance technicians but agreed to vote them subject to challenge and resolution of their inclusion or exclusion was unnecessary because their ballots were not determinative of the election results.
