2. Basis of the Charge (set forth a clear and concise statement of the facts constituting the alleged unfair labor practices) (continued)

On (b) (6). (b) (7)(c) 2018, after an employee was fired by the Employer in front of a number of other employees, the Employee was told by an Agent of CC 175 that would be fired for continuous inquiries into CC 175 membership without the express consent of the Employer in breach of its duty to fairly represent all workers.

Over the last six months, employees of the Employer have performed work covered by the Collective Bargaining Agreement (the "CBA"), but have not received any of the benefits provided pursuant to the CBA. Notably, the Employer has failed to make contributions required by the CBA and the union is aware of the Employer's failure to provide the benefits required by the CBA, however, CC 175 refuses to enforce the terms of the CBA related to employee benefits and payments to the funds.

Over the last six months, CC175 has failed to enforce its Collective Bargaining Agreement "(CBA") with the Employer, based upon information and belief, because the group of workers in the Landscaping Unit are by and large indigenous to Central America.
