TYPE OF ELECTION: STIPULATED

CERTIFICATION OF REPRESENTATIVE

An election has been conducted under the Board's Rules and Regulations. The Tally of Ballots shows that a collective-bargaining representative has been selected. No timely objections have been filed.

As authorized by the National Labor Relations Board, it is certified that a majority of the valid ballots has been cast for

**CALIFORNIA NURSES ASSOCIATION/NATIONAL NURSES UNITED
(CNA/NU)**

and that it is the exclusive collective-bargaining representative of the employees in the following appropriate unit:

Included: All full-time, regular part-time, and per diem registered nurses, including registered nurses who serve as case managers, employed by the Employer at its acute-care hospital facility currently located at 300 West Huntington Drive and 301 West Huntington Drive in Arcadia, California.

Excluded: All other employees, nurse educators, infection control nurses, quality management specialist, case managers who are not registered nurses, registered nurses employed by registries or other agencies providing outside labor to the Employer, nurse administrators, managerial employees, confidential employees, physicians, other professional employees, technical employees, skilled maintenance employees, business office clerical employees, guards, other non-professional employees, and supervisors as defined in the Act.

However, all full-time, regular part-time, and per diem charge nurses and regular relief charge nurses are neither included in nor excluded from the bargaining unit covered by this certification, because the parties did not agree on the inclusion or exclusion of these classifications, but agreed to vote them subject to challenge, and resolution of their inclusion or exclusion was unnecessary because their ballots were not determinative of the election results.
