¹ The Department Manager classification is neither included nor excluded from the bargaining unit covered by this certification, inasmuch as the parties did not agree on the inclusion or exclusion of this classification but agreed in their Stipulated Election Agreement to vote them subject to challenge. Thereafter, pursuant to the parties Stipulation Resolving Challenges, approved on September 12, 2018, the parties agreed to not open and count the 12 challenged ballots of Department Managers. As such, Regional resolution of the inclusion or exclusion of the Department Manager classification in the above certified unit was unnecessary as the ballots were no longer determinative of the election results.
